

Hayward's Primary School

Y1 and 2 Topic Home learning: Autumn Term 2021

We are Great (Britain)! "Pick n Mix" CREDITON and LONDON

Take a look at the activities below. There are lots to choose from! We would like you to choose ONE activity **each half** and complete it at home. This should take up to 60 minutes, but you may spend longer on it if you want to. You should then bring your home learning in on the dates below.

There will be an opportunity to share what you have done with the rest of the class. If you have your own idea for an activity, feel free to do that too.

It is up to you how to present and organise your work, but please ask if you would like any help along the way.

We look forward to seeing what you come up with! *Please continue with regular reading at home.*

Draw a map to show your journey to school (<i>include landmarks that you pass including shops, postbox etc</i>)	If you have visited London, make a presentation (photos, drawings and writing) showing what you saw there and what you learned about London.	Go to the library and find a book about London.
<i>On google maps, locate Crediton. With an adult, find where your house is and follow your journey to school or another place in Crediton.</i>	Would you prefer to live in Crediton or London? Write about the reasons why.	Design your own flag for Crediton and/or London.

Ask an adult to date the activity that you have done.

Bring in evidence (if possible) of your chosen homework tasks on the following dates:

Wednesday 8th December
