Y1 and 2 Topic Home learning: Autumn Term 2021

We are Great (Britain)! "Pick n Mix" UK, Devon

Take a look at the activities below. There are lots to choose from! We would like you to choose ONE activity **each t** and complete it at home. This should take up to 60 minutes, but you may spend longer on it if you want to. You should then bring your home learning in on the dates below.

There will be an opportunity to share what you have done with the rest of the class. If you have your own idea for an activity, feel free to do that too.

It is up to you how to present and organise your work, but please ask if you would like any help along the way.

We look forward to seeing what you come up with! *Please continue with regular reading at home.*
