SECTION 1: STATEMENT OF INTENT

The Governing Body of Hayward's Primary School will strive to achieve the highest standards of health, safety and welfare consistent with their responsibilities under the *Health and Safety at Work etc. Act 1974* and other statutory and common law duties.

This policy sets out how these duties will be conducted and includes a description of the school's organisation and arrangements for dealing with different areas of risk. Section 2 will establish specific responsibilities at all levels of the school's organisation. Section 3 will outline the specific arrangements put in place to manage these areas of risk and hence to meet the school's obligations under the law.

This policy will be brought to the attention of all members of staff at induction, a copy is displayed in the School Business manager's (SBM) office and will be revisited in a staff meeting annually. A reference copy is kept on the school's shared drive.

This policy statement and the accompanying organisation and arrangements will be reviewed annually by the Full Governing Body

SECTION 2: ORGANISATION

The Duties of the Governing Body

- To produce and regularly review the Health & Safety Policy for the school. This policy will reflect the requirements of the *Health and Safety at Work etc. Act 1974* by outlining arrangements to ensure, so far as is reasonably practicable, the health, safety and wellbeing of staff, students and others affected by the organisation.
- To monitor both compliance with, as well as the effectiveness of, this policy.
- To provide adequate resources to meet the school's legal responsibilities as well as compliance with this policy.
- To assist the Governing Body in discharging its legal obligations, the school has appointed the Health and Safety Service as its 'competent person' as defined by the Management of Health and Safety at Work Regulations 1999.
- The specific arrangements adopted will be guided by the Health and Safety Service's Health & Safety Arrangement Notes.

The Duties of the Head Teacher

The Head Teacher has day-to-day responsibility for health and safety management and will take all reasonably practicable steps to secure the health and safety of students, staff and others using the school premises or participating in school sponsored activities.

In particular, the Head Teacher will:

- Ensure that suitable and sufficient risk assessments of work activities are undertaken, that a written record of the significant findings of these assessments is kept and that these assessments are subject to regular review.
- Co-operate with the Governing Body to ensure that this policy and its associated arrangements are implemented and complied with
- Communicate the policy and other appropriate health and safety information to all relevant people including contractors.
- Report to the Governing Body on health and safety performance and to monitor both compliance with, as well as the effectiveness of, this policy.
- Ensure that the premises, plant and equipment are maintained in a safe and serviceable condition.
- Report to the Governing Body any significant risks or policy requirements which cannot be met within the establishment's budget.
- Identify the training needs of staff and hence ensure that they are competent to carry out their roles and are provided with adequate information, instruction and training.
- Ensure consultation arrangements are in place for staff and their trade union representatives (where appointed).
- Monitor purchasing and contracting procedures to ensure health and safety is included in specifications and contract conditions.
- Receive reports from enforcement officers and advisory bodies and, where appropriate, take relevant actions to address issues raised.
- Promote a positive health and safety culture by leading by example.

Whilst overall *responsibility* for health and safety cannot be delegated the Head Teacher may choose to delegate certain *tasks* to the Health & Safety Coordinator.

The role of Health & Safety Coordinator for the School has been delegated to the School Business Manager

The Duties of the Health and Safety Co-ordinator

The health and safety co-ordinator has the delegated task of assisting the Head Teacher discharge their duties in relation to day-to-day health and safety management

To do this the health and safety co-ordinator will:

- co-ordinate and manage the risk assessment process for the school.
- co-ordinate general workplace monitoring inspections and performance monitoring processes and report findings to the Head Teacher and Governing Body.
- coordinate records of external inspections and maintenance to plant or facilities and ensure that remedial actions identified are either addressed without delay or brought to the attention of the Governing Body if funds are not available.
- assist with the identification of training needs and training delivery across the school to ensure that staff are adequately instructed.
- collate accident and incident information and, when necessary, carry out accident and incident investigations.
- arrange periodic health and safety audits and liaise with the Head Teacher and Governing Body in relation to findings and any associated remedial actions.
- Monitor purchasing and contracting procedures to ensure health and safety is included in specifications and contract conditions
- Communicate the policy and other appropriate health and safety information to all relevant people including contractors
- Ensure that the arrangements within the policy are being carried out

The Duties of the Caretaker

The Caretaker has specific delegated tasks in relation to health & safety management within their departments/subject areas. They must ensure that:

- Risk assessments are undertaken for the work areas for which they are responsible and that identified control measures are implemented.
- Undertake responsive risk assessments in light of environmental conditions
- Appropriate safe working procedures are brought to the attention of all staff via appropriate instruction and training and are enforced effectively.
- They take appropriate action on health, safety and welfare issues referred to them, informing the Head Teacher or Governing Body of any problems they are unable to resolve within the resources available to them.
- They carry out regular inspections of their area of responsibility and report / record these inspections to the Head Teacher or Governing Body.
- Ensure that facilities are maintained to a high standard of hygiene, with resources replenished as required
- All accidents (including near misses) occurring within their area of responsibility are promptly reported and investigated.

The Duties of all Members of Staff

Under the *Health and Safety at Work Act etc. 1974*, all employees have general health and safety responsibilities. All employees are obliged to take care of their own health and safety whilst at work along with that of others who may be affected by their actions. This also applies to volunteers who are under the control of the school.

Specifically, all employees have responsibility to:

- Take reasonable care for the health and safety of themselves and others in undertaking their work.
- Always comply with the school's Health and Safety Policy arrangements at all times.
- Report all accidents and incidents in line with the reporting procedure.
- Not intentionally interfere with or misuse any equipment or fittings provided in the interests of health safety and welfare.
- Report all defects in the condition of premises or equipment and any health and safety concerns immediately to their line manager.
- Ensure that they only use equipment or machinery that they are competent / have been trained to use.
- Make use of all necessary control measures and personal protective equipment provided for safety or health reasons.

Pupils

Pupils, in accordance with their age and aptitude, are expected to:

- To exercise personal responsibility for the health and safety of themselves and others.
- To observe standards of behaviour and dress consistent with safety and/or hygiene.
- To observe all the health and safety rules of the school and, in particular, the instructions of staff given in an emergency.
- Not wilfully misuse, neglect or interfere with facilities or equipment provided for their and others' health and safety.

Contractors

All contractors who work on the school premises are required to identify and control any risks arising from their activities and inform the Head Teacher of any risk that may affect the staff, pupils and visitors.

All contractors must be aware of this policy and the associated emergency procedures and comply with these requirements at all times.

In instances where the contractor creates hazardous conditions and refuses to eliminate them or take measures to make them safe, the Head Teacher will take such actions as are necessary to prevent staff, pupils and visitors being put at risk from injury.

Those accidents to pupils and members of the public which are work related, in that they have arisen out of or in connection with a work activity, must also be reported by entering accident details onto the OSHENS on-line accident reporting system. These will be reported to Governors through termly H&S Updates.

In addition, those accidents to pupils which did *not* arise out of or in connection with a work activity, but which nevertheless resulted in an injury whereby the pupil received treatment in a hospital, will also be inputted onto the OSHENS on-line accident reporting system.

Parents / carers will be notified immediately of all major injuries.

The SBM and/or Head Teacher will investigate accidents and take remedial steps to avoid similar instances recurring.

All accidents which fall within the scope of the Reporting of Injuries, Diseases and Dangerous Occurrence Regulations 2013 will be reported to the HSE via the OSHENS on-line accident reporting system. This will be undertaken by the Devon Health and Safety Service.

For full details relating to accident reporting arrangements, reference should be made to the HS01 Arrangements Note.

SECTION 3: ARRANGEMENTS

Risk Assessment

The underlying process which informs safety management is risk assessment. Assessments of significant risks will be made with those persons responsible for the activity/area affected and the significant findings of these decisions will be recorded in writing. This will be achieved principally by amending and adopting the model risk assessments provided by the Health and Safety Service. Specifically, the model risk assessments amended and adopted to identify suitable risk control measures will be as follows:

- RA22 – Curriculum Activities RA
- RA21 – Whole School RA
- RA08 – Fire RA
- RA28 – Work Experience RA (where applicable)
- RA04 – Cleaning and Caretaking RA
- RA03 – Building and Site RA
- RA24 – Security RA
- RA27 – Working at Height RA
- RA05 – COSHH RA
- RA09 – First Aid RA
- RA18 – Expectant Mothers RA (as required)

Risk assessments are available for all staff to view and are held centrally in the SBM office and on the Google Drive. Wherever possible, affected staff will be included in the risk assessment process. Staff and other affected parties will be briefed in the risk assessment findings.

Risk assessment records will be reviewed annually led by the SBM in conjunction with the Headteacher and FGB. This will be identified on risk assessment record.

Those accidents to pupils and members of the public which are work related, in that they have arisen out of or in connection with a work activity, must also be reported by entering accident details onto the OSHENS on-line accident reporting system. These will be reported to Governors through termly H&S Updates.

In addition, those accidents to pupils which did *not* arise out of or in connection with a work activity, but which nevertheless resulted in an injury whereby the pupil received treatment in a hospital, will also be inputted onto the OSHENS on-line accident reporting system.

Parents / carers will be notified immediately of all major injuries.

The SBM and/or Head Teacher will investigate accidents and take remedial steps to avoid similar instances recurring.

All accidents which fall within the scope of the Reporting of Injuries, Diseases and Dangerous Occurrence Regulations 2013 will be reported to the HSE via the OSHENS on-line accident reporting system. This will be undertaken by the Devon Health and Safety Service.

Accident/Incident Reporting

All employee accidents must be reported to the Governing Body. This will be achieved by entering accident details onto the OSHENS on-line accident reporting system. Forms can be found in the SBM office and the H&S Administrator will enter details onto OSHENS. Governors will be informed through termly reports.

Accidents to pupils and other non-employees should be recorded in the accident book. When a pupil has received a bump to the head the class teachers are informed to allow them to monitor the pupil throughout the day and a text is sent to parents. Please see details of our first aid policy for information about when and how parents are communicated with following an injury at school.
